

Grade Nine Summer Reading

NAME _____

Graphic Organizer for Note-Taking

Directions:

You are required to read one book from our list of suggested books. Use this graphic organizer to record and take notes on some of your thinking while you read the book you choose. Select passages with our guiding question in mind, passages that you can relate to that question. We will use your passages and notes in the first week of class. Make copies of this form as needed for your work.

Exact Passage from the Text (Include page number)	Your thinking about this passage (What does this passage reveal about how communities are created and sustained)
