Please CIRCLE your one answer to the following three questions:

1) If I attend Casco Bay High School next fall, I would like to take:

English Language Learner (ELL) Support Executive Skills* French 1 2 3 4 Spanish 1 2 3 4 Chinese 1 2

**Executive Skills is an academic support option available to qualifying Special Education students.*

2) Casco Bay High School offers co-curricular activities on our campus, from clubs to dances. In addition, students have the option of participating in the athletic and co-curricular programs of Portland *or* Deering High Schools (but *not* both). Consequently, Casco Bay HS students have to declare that either Portland or Deering will be their school for additional co-curriculars. This designation also gives students access to the dances at their designated school. Once this designation has been made, it cannot be changed during the school year:

If I attend Casco Bay High School next fall, I will designate the following as my school for additional co-curricular offerings: Deering High School Portland High School

3) If there is more interest than spots, I would like to be placed on a waiting list in case a spot opens up before September: Yes No

Please return this completed form to either your guidance counselor or to the registrar at Casco Bay High School. Thanks!
