

CBHS 3rd Trimester Sun School – June 2019

This will be offered for 9th and 10th graders who earn a 2+ in the 3rd trimester in math, science, English or social studies (OR otherwise by teacher permission)

To be on track for graduation, students need to earn at least ten units of proficiency (UPs) a year. Eight UPs in English are required for graduation – as well as six in math, science and social studies. We strongly encourage students to do whatever it takes to stay on the path towards graduation. Portland Public Schools will again be offering summer school courses in English, math, social studies and science. Students may sign up for ONE course (and possibly two) through PPS Summer School, this year hosted by Deering High School. The class will run weekdays in July, starting July 8th, 8am to 12:10. CBHS will also be offering a Math Workshop and 1 science intensives for credit this summer.

In our effort to support all students meeting rigorous, vital standards, Casco Bay High School will also be offering our own standards-based school for 9th and 10th graders (only).

CBHS 3rd Trimester Summer School Calendar

Team 9

9th Grade Biology: 6/11 - 12-4pm, 6/13 - 12-2:30

*Geometry: 6/11 - 12-2:30, 6/12 - 12-2:30

Hum 1 (English) - 6/18 and 6/19 - 9-10:30

Hum 1 (Soc. Studies) - 6/18 & 6/19 - 10:30-12

Spanish – Ms. Lynch Nichols 6/18 12-2:30

Spanish 1 and 2- Ms. Orth- NONE

Team 10

Social Studies: 8:30-11:30 6/18 and 6/19

English: 8:30-11:30 6/18 and 6/19

Math: 12-2:30 6/18

Physics, French, Wellness and Grade 11 courses should be made up during credit recovery week only.

\$25 per course and \$5 for students who receive free lunch. *There is no cost for Geometry since the sessions will occur during the normal school day. Sun School is free for students who earned a HOW of 3 or better in the trimester for that course. CBHS Summer School will provide individualized support for students as they complete remaining standards. Once students successfully complete their remaining standards, their summer school in that course is finished. Students may sign up for one, two or three CBHS Summer School courses. Students must provide their own lunch (if relevant) and transportation. Spaces are limited. The deadline for registration is the first meeting of the course. For more information about any of these options, contact your child's crew advisor, the course teacher or Derek Pierce. Tuition must be paid in full in order for registration to be completed and any grade change to occur. Checks should be made payable to Casco Bay High School. Turn in or mail completed registrations to Deb Kierstead.

Field Mapping Portland's Geology

A CBHS - USM Summer Science Intensive

July 29th to August 2nd - 8am-3pm

A one week (M-F) all day (8:00 - 3:00) course in which students will be introduced to the basics of geology, learn the geological history of the Greater Portland Area, and embark upon a field mapping expedition to important geological sites in the city, all accessible by public transport.

The course will be taught jointly by USM and CBHS faculty and carries one college credit and .67 CBHS UPs in science.

Topics covered:

1. Portland's Bedrock Geology -- Volcanoes and Earthquakes
2. Portland's Surficial Geology -- Ice and Water
3. Traditional Mapping -- Compasses and Topo Sheets
4. Modern Mapping -- Story Maps Online

2019 Summer Math Workshop at Casco Bay High School

Students in grades 9-11 will have the opportunity to earn up to one trimester of math credit over the summer through supported and customized sessions on ALEKS. This opportunity is available for any CBHS math student, regardless of whether you are interested in credit remediation, acceleration or just deepening your math skills with more practice. Students will complete 10 three-hour sessions with CBHS math faculty support during Tuesdays and Thursdays in July and August. Precise meeting dates and times are below. Participants must be able to attend 10 sessions to be eligible for credit; a designated number of topics must also be mastered.

The cost will be \$50 (\$10 for free or reduced lunch students). The first 25 students who return this form with the necessary payment will have a spot in the class.
