IMPORTANT NOTES FOR PARENTS/GUARDIANS AND SENDING SCHOOL REPRESENTATIVES

PARENTS/STUDENTS:

- APPLICATIONS You cannot submit an application that has not been reviewed and signed by a representative (guidance counselor, case manager, administrator, etc.) at your child's school. Do not use an application that has a photocopied signature from a sending school rep.
- COURSE SELECTION Make sure that your sending school rep reviews your child's transcript and credits in order to ensure that you sign up for the correct classes. Make sure that your sending school representative aligns the courses taken during the school year with the courses offered during summer school. *Understand that some courses offered during the school year (such as "Integrated Math") do not align with the math courses offered at summer school.*
- START TIME Assume your child will begin class at 8:00. Anyone whose child has class only during Block 2 will be notified that their class does not begin until 10:10.
- TRANSCRIPTS We will send a transcript to your child's school with a Pass/Fail grade, and we will send a letter/transcript home to you as well. We will notify you if your child meets the standards early and is excused from summer school.
- ACCOMMODATIONS **Make sure to include any IEP or 504 information so that we can arrange for extra support.**
- Free lunch is provided for all summer school students from 12:00-12:30 at Deering High School. Students are expected to exit the building immediately after Block 2 and/or lunch.

SENDING SCHOOL REPRESENTATIVES:

- APPLICATIONS **Please do not disseminate applications with photocopied signatures.** Each application needs to be reviewed carefully in conjunction with each student's academic history.
- ACCOMMODATIONS If a student has a 504 or IEP, please include the accommodations. We will try our best to maintain consistency with the student's experience during the regular school year.
- SPECIAL TRANSCRIPT DESIGNATIONS If your school uses designations on transcripts to indicate language support or modified curriculum, please send an information sheet explaining such designations. **Please also indicate the intended designation for each student's course.** If a student earns credit through this summer school, we will assume that any special transcript designations from the regular school year course will apply to the credit earned in summer school.
